Temple Adat Elohim
Learn. Grow. Connect.

Join a Havurah…connect to your Temple Community!

A *Havurah* is a group of Temple Adat Elohim adults who meet regularly, with or without children, to share a Jewish and social experience. To ensure the success of our *Havurah*, each member needs to make a full commitment to the group and be able to attend regular meetings and activities.

With a congregation as large as Temple Adat Elohim, *Havurot* enable congregants to establish meaningful relationships in a very personal setting. By joining a *Havurah,* you solidify your commitment to support our synagogue. Your *Havurah* can be your family's link to the temple, as well as to other families with shared interests. It can even become your extended family!

Each group decides its own calendar. We suggest you incorporate Jewish holidays and learning, as well as social activities into your *Havurah's* activities.

As soon as the committee matches your application with a group of people who fit well together, you will be notified. The amount of time necessary to make this match depends on the amount of applications received that fit your needs.

Temple Adat Elohim has a vibrant *Havurah* program and we look forward to your participation.

Return your completed request form and return it to the temple office. You will be contacted as soon as possible.
