### Selichot Program and Healing Service

Rewriting Our Stories - Join us for a moving Selichot program as we reflect on the stories we tell about ourselves and others and how those stories shape our view of the world. Through prayer and music, we will open our hearts to change, compassion, and new beginnings.

Havdalah and Healing Service – Following the Selichot program, Rabbi Diamond and Cantor Shukiar will lead a Havdalah ceremony and healing service. Torah mantles will be changed to white in preparation for the High Holy Days. Rabbi Diamond and Cantor Shukiar will be wearing their white robes for the first time this year.

### Erev Rosh Hashanah

Join us after your Erev Rosh Hashanah meal for a joyful service filled with inspiring melodies from our Band of Milk and Honey and the TAE Chorale.

### Kol Nidre, Erev Yom Kippur

As the sun sets and Yom Kippur begins, join us for a moving and reflective Kol Nidre service featuring the soulful melodies of our cello by David Speltz, the TAE Chorale, and the voices of our clergy. Enter this sacred day surrounded by the power of music, intention, and community.

### Traditional Services

Celebrate the High Holy Days with meaningful morning services led by Rabbi Diamond and Cantor Shukiar. With inspiring liturgy, soul-stirring music from the TAE Chorale and Band of Milk and Honey, and Torah readings by our congregants, these services offer moments of tradition, reflection, repentance, and renewal as we come together in community.

### Family Services

Perfect for families with elementary school-age children, this joyful and engaging service creates a welcoming space for all. Children are invited to help lead parts of the service, giving them a meaningful way to participate and feel connected. You don't need to have children to attend. Everyone is welcome!

### Preschool-Age Family Services

These short, child-friendly services are designed to be engaging and meaningful. Led by Rabbi Diamond and Cantor Shukiar, these services feature songs, stories, and more.

### Tashlich

Join us by a flowing body of water for this meaningful Rosh Hashanah ritual where we symbolically cast away our sins with breadcrumbs and reflect on the year behind us. Through prayer, reflection, and community, we open our hearts to renewal and hope for a better year ahead.
