

## GATHERED Together STRENGTHENED Through BELONGING

On Yom Kippur, we gather to reflect on our lives and recognize that none of us journeys alone. This day reminds us that life is not about perfection but about return — return to ourselves, to each other, and to community. We discover meaning when we strengthen these connections and take responsibility for each other.

This year, we invite our TAE family to embrace the spirit of connection and belonging by participating in our new Just Five initiative. By giving just five hours of your time throughout the year to support fellow congregants, you can strengthen the fabric of our community.

As we pray, sing, and reflect during these High Holy Days, may we open our hearts to forgiveness, renewal, and one another. May we leave this day with the courage to show up for each other and with the blessing of knowing that belonging is not only received, but woven together.

G'mar Chatimah Tovah.
