Place Tag number sticker here:

I understand RFID tags are non-transferable. I agree that each member will receive two RFID tags, and each additional tag is \$36. Congregants must bring this form, fully completed, along with the vehicle to receive the RFID tag. One form per vehicle is required. Any lost, stolen, or damaged RFID tags must be reported as soon as possible. Any vehicles that need tags installed after the scheduled dates will need to come to the office to submit paperwork. Installation of tags must be done onsite, at the vehicle gates, for proper testing. Tags must be installed on the vehicle listed above. Tags WILL NOT be handed out to temple partners.
