

What comes next for your 8th/9th Grader...
Our 8th/9th Grade Program!

Your child has become a Bar/Bat Mitzvah but that doesn't mean their Jewish Educational Journey is over! A new journey is about to begin.

What: Our 8th/9th Grade program will begin to explore some of the themes that our teens feel passionate about. We will work with educational experts to develop projects, as we draw on Jewish values that will be meaningful, instructive and will make changes that can positively affect our community and our lives.

Some themes our teens want to explore:

- How can we feel safe and secure?
- Benefits and burdens of social media
 - Pressures in school
 - Homelessness
- Pressure from constant competitiveness

During the hour that your child is not in class,
they will be using their prayer skills as a B'nai Mitzvah Peer Tutor.
(Please note that this is a wonderful way for your teen to get their Community Service hours!)

When: Every Tuesday evening, beginning September 17, 2019, from 5:30-8:00 pm
(5:30-6:00 PM: Youth Group sponsored dinner, 6:00-8:00 PM: Class Hour and Peer Tutoring Hour)

We look forward to being your teen's partner, as well as yours in this exciting endeavor.
Together, we can make changes!
