## President's Message §

Dear Sisters,

Our holidays are upon us and I look forward to the wonderful services Rabbi and Cantor have designed for our TAE community. I am sad that we will not be able to experience High Holy Days services in person, but we will, nevertheless, celebrate and reflect.

We've all been through so much and I'm noticing that the word grateful is popping up in many conversations. I know that I am grateful for the incredible ladies who stepped up to serve on your Sisterhood board. We still don't know when in-person meetings will take place but what I can tell you is that our Program VPs, Suzanne Gallant and Cory Jakl, are working to bring you fun and interesting programs. Religion and Education VPs Judy Levine and Elaine Bercy will keep us apprised of developing events. Just maybe, we can meet outside in the *sukkah*.

May you all enjoy a happy and healthy 5782. Please stay safe and healthy.

Shana Tova,  
Joni Berger

Check out our Sisterhood Facebook page (<https://www.facebook.com/TAESisterhood>) and, of course, take a look at our page on the TAE website.

## "A Passion for Fashion"

Presented by Lee Rubinstein via Zoom

Laws that told you what you could or could not wear? High heels for men? Hair so high it became a fire hazard? How would you like to wear a dress that was so wide you could barely get through a doorway?

Featuring objects from the Getty collection, you will learn some of the bizarre items of clothing, hairstyles and make up that were part of everyday lives of the men and women who lived before the days of yoga pants and scrunchies!

Lee Rubinstein is a gallery docent at the Getty Center where she leads tours for students. During the pandemic, she created a set of virtual tours for docents around the globe and has given tours to museums all over the United States and Australia, Canada and Israel. She also runs an all-volunteer in-class art program for a Title I school. Finally, she is the proud older sister of Cory Jakl!

Questions? Please contact Cory at (818) 879-1612 / [cory@jakl.net](mailto:cory@jakl.net). Zoom link will be emailed.
